 Was sent south to work for a year on a 60,000 head feedlot.
 Trainer there's comment was that Lena has been used in the feedlot, doing every aspect of work each day.
 This mare is super nice and athletic and can watch a cow and has some fancy moves.
 Lena is good to rope on. Super soft in the face and she could be your every day horse
 She'd make a great breakaway horse.*

	IRON DOO FANCY (1995)

10 year old Blue Roan Mare (has silvery mane).
AQHA could not match her DNA to the sire so selling without papers.
She is a well bred mare and always produces a top-notch foal.
We believe her sire is DOC SERENDIPITY OAK. Her dam is LBJ FOXY KATE as that was a match. She had registration papers but after a DNA test they cancelled it as could not match with the sire.
